ELECTION LAWS

INSTRUCTIONS TO MANAGERS

Managers are directed to provide a separate box for the amendments to the State Constitution submitted at this election. This box should be plainly and distinctly labeled. The returns of this election should be made in duplicate, as in the election of State and County officers, and separately attested by the Managers; tickets, etc., being returned to the County Board of Canvassers as in other elections. Electors qualified to vote for members of the General Assembly are qualified to vote at this election.

Duplicate poll lists should be kept, and *duplicate* returns and statements made. One of each should be sealed up and transmitted with the boxes, ballots, oaths, etc., to the County Board of Canvassers, and the other retained by the Managers.

Especial care must be used in filling blanks. All numbers of votes cast should be written out in words at full length, in addition to Roman characters, thus, "two hundred and ten (210)."

Before the hour fixed for opening the polls Managers and Clerks must take and subscribe the Constitutional oath, which should be returned to the County Board of Canvassers with other papers. The Chairman of the Board of Managers can administer the oath to the other Managers and to the Clerk; a Notary Public must administer the oath to the Chairman. The Managers elect their Chairman and Clerk.

Polls at each voting place must be opened at 7 o'clock a. m. and closed at 4 o'clock p. m., except in the City of Charleston, where they shall be opened at 7 a. m. and closed at 6 p. m.

The Managers have the power to fill a vacancy, and if none of the Managers attend, the citizens can appoint from among the qualified voters the Managers, who, after being sworn, can conduct the election.

Each Clerk of the Board must keep a poll list, which shall contain one column headed "Name of Voters," and the name of each elector voting shall be entered therein. *Duplicate poll lists must be kept at each precinct.*

At the close of the election, the Managers and Clerk must proceed *publicly* to open the ballot boxes and count the ballots therein, and *continue without adjournment* until the same is completed, and make a statement of the result of each office and sign the same.

Within three days thereafter, the Chairman of the Board, or some one designated by the Board, must deliver to the Commissioners of Election the poll lists, the boxes containing the ballots and written statements of the result of the election.

Managers of Election are not required under the present Constitution to seal up and transmit to the Secretary of State certified copies of returns of the election for Governor and Lieutenant Governor, but are now required to make their returns for these offices to the Commissioners of Election, who transmit them to the Secretary of State.

Managers should send boxes, etc., to the County Board of Canvassers at the *earliest possible moment*.

The Managers are allowed \$1 per day while actually employed, and 5 cents per mile while going to and returning from (both ways) the courthouse for boxes and delivering returns, and in going to and returning from the polls to their homes. Clerks are allowed no mileage. Account for same should be made out on blank provided, signed by each Manager and Clerk, and returned to the County Board of Canvassers with the returns.

INSTRUCTIONS TO COMMISSIONERS

Commissioners appointed to conduct the election are requested immediately upon receipt of blanks for the election to carefully examine all forms provided, and in the event of error or deficiency notify the Secretary of State, in time to correct same.

Separate statements (in addition to the regular statements and returns) must be made by County Board of Canvassers of the votes cast for Governor and Lieutenant Governor. This return should be securely sealed and delivered to the Secretary of State for transmission to the General Assembly, by whom the result of this election is declared.

Where the names of officers not voted for in your County at this election appear in the forms provided for certificates, returns or other blanks, run pen through them. Use ink in filling all blanks.

Provision must be made for a separate box and return for the Constitutional amendment submitted at this election.

Especial attention is called to the requirement that County Board of Canvassers make *four separate returns* of all elections, including the election upon the adoption of amendment to the State Constitution.

One return should be filed immediately the election is declared with the Clerk of Court, one return should be mailed to the Governor, one to the Secretary of State, and the remaining copy should be sent by express to the Secretary of State with all *poll lists, precinct returns, etc.* In these returns the votes received by each candidate should be written out in words at full length. Thus: "ten (10)."

Commissioners must advertise the election in one or more newspapers in their County in not exceeding two issues of each newspaper, in the form prescribed by the Secretary of State.

Accounts for advertising are paid by the Comptroller General at the rate of not exceeding one dollar per 75 words for the first and 50 cents per 75 words for second or subsequent insertion, in each of said newspapers. The type used must be not larger than solid brevier and no leads must be used. Accounts for advertising must be approved by the Commissioners of Election or a majority of them.

The accounts of the Managers and Clerks, and Commissioners of Election, should be addressed to the COMPTROLLER GENERAL, in a SEPARATE ENVELOPE from the returns of the

election, with authority to collect same endorsed thereon. These accounts must be itemized and properly aggregated.

QUALIFICATIONS OF ELECTORS

Extract From Constitution of 1895

SECTION 4. The qualifications for suffrage shall be as follows:

(a) Residence in the State for two years, in the County one year, in the polling precinct in which the elector offers to vote four months, and the payment six months before any election of any poll tax then due and payable: *Provided*, That ministers in charge of an organized church and teachers of public schools shall be entitled to vote after six months' residence in the State, otherwise qualified.

(b) Registration, which shall provide for the enrollment of every elector once in ten years, and also an enrollment during each and every year of every elector not previously registered under the provisions of this Article.

(c) Up to January 1st, 1898, all male persons of voting age applying for registration who can read any Section in this Constitution submitted to them by the registration officer, or understand and explain it when read to them by the registration officer, shall be entitled to register and become electors. A separate record of all persons registered before January 1st, 1898, sworn to by the registration officer, shall be filed, one copy with the Clerk of Court and one in the office of the Secretary of State, on or before February 1st, 1898, and such persons shall remain during life qualified electors, unless disqualified by the other provisions of this Article. The certificate of the Clerk of Court or Secretary of State shall be sufficient evidence to establish the right of said citizens to any subsequent registration and the franchise under the limitations herein imposed.

(d) Any person who shall apply for registration after January 1st, 1898, if otherwise qualified, shall be registered: *Provided*, That he can both read and write any Section of this

Constitution submitted to him by the registration officer or can show that he owns, and has paid all taxes collectible during the previous year on property in this State assessed at three hundred dollars (\$300) or more.

(e) Managers of election shall require of every elector offering to vote at any election, before allowing him to vote, proof of the payment of all taxes, including poll tax, assessed against him and collectible during the previous year. The production of a certificate or of the receipt of the officer authorized to collect such taxes shall be conclusive proof of the payment thereof.

(f) The General Assembly shall provide for issuing to each duly registered elector a certificate of registration, and shall provide for the renewal of such certificate when lost, mutilated or destroyed, if the applicant is still a qualified elector under the provisions of this Constitution, or if he has been registered as provided in subsection (c).

SEC. 5. Any person denied registration shall have the right to appeal to the Court of Common Pleas, or any Judge thereof, and thence to the Supreme Court, to determine his right to vote under the limitations imposed in this Article, and on such appeal, the hearing shall be *de novo*, and the General Assembly shall provide by law for such appeal, and for the correction of illegal and fraudulent registration, voting and all other crimes against the election laws.

SEC. 6. The following persons are disqualified from being registered or voting:

First, Persons convicted of burglary, arson, obtaining goods or money under false pretenses, perjury, forgery, robbery, bribery, adultery, bigamy, wife-beating, house-breaking, receiving stolen goods, breach of trust with fraudulent intent, fornication, sodomy, incest, assault with intent to ravish, miscegenation, larceny, or crimes against the election laws: *Provided*, That the pardon of the Governor shall remove such disqualification.

Second, Persons who are idiots, insane, paupers supported at the public expense, and persons confined in any public prison.

SEC. 7. For the purpose of voting, no person shall be deemed

to have gained or lost a residence by reason of his presence or absence while employed in the service of the United States, nor while engaged in the navigation of the waters of this State, or of the United States, or of the high seas, nor while a student of any institution of learning.

Extracts From Code of Laws of South Carolina, 1902

SECTION 175. No person shall be allowed to vote at any election hereafter to be held unless he shall have been registered as herein required.

* * * * *

SEC. 191. Every elector shall vote at the voting place in the polling precinct at which and in which his registration certificate entitles him to vote. When a new polling precinct is established by law, it shall be the duty of the Board of Registration to transfer from the books of registration the names of such electors registered to vote in other voting precincts as should hereunder register and vote in the new voting precinct, and issue to such electors as may apply new registration certificates for such new polling precinct, and such electors shall thereafter vote in the new polling precinct to which they have been transferred. In case of the removal of an elector from one precinct to another in the same County, such elector shall notify the Board of Registration of such County and surrender his certificate, and the said Board or Supervisor shall note the fact upon a proper book, and give to the elector a certificate for registration for the precinct into which he has removed. When one voting place has been changed to another in the same township or polling precinct, or when the name of the voting place has been changed since the last general election, the registration of electors for the former voting place shall be valid and effectual for the new voting place. Any registered elector who may reside nearer to a voting place in his polling precinct than the one at which he is entitled to vote, and desires to vote at such nearer voting place, shall upon the surrender of his certificate of registration be entitled to a new certificate entitling him to vote at such nearer voting place.

SEC. 192. The Board of Registration shall deposit the books and other records of registration for safe keeping in the office of the Clerk of Court of Common Pleas for their County, who shall keep the same with the other records in said office.

The registration books and records shall be public records, open to the inspection of any citizen at all times, and shall not be removed from the office of the Clerk of Court by any person except the Board of Registration, who are authorized to take and keep the same as long as may be necessary to enable them or him to perform the duties herein imposed on them: *Provided*, That the books and records of registration shall not be kept anywhere else than in the office of the Clerk of the Court of Common Pleas or in the office of the Board of Registration, except when used by the Board in the several polling precincts as required by this Act.

SEC. 193. Immediately preceding each general election, or any special election, the Board of Registration shall furnish to the Commissioners of Election for their County two registration books for each polling precinct in their County, containing in each the names of all electors entitled to vote at such precinct; and no elector shall vote in any polling precinct unless his name appears on the registration books for that precinct: *Provided*, That in case the name of any registered elector does not appear, or incorrectly appears, on the registration books of his polling precinct, he shall nevertheless be entitled to vote upon the production and presentation to the Managers of Election of such precinct (in addition to his registration certificate) of a certificate of the Clerk of Court of Common Pleas that his name is enrolled in the registration book or record of his County on file in said Clerk's office, or a certificate of the Secretary of State that his name is enrolled in the registration book or record of his County and on file in the office of the Secretary of State, or prior to the filing of such books or records, on or before the first of February, 1898, in the office of the Clerk and Secretary of State a certificate of a member of the Board of Registration of his County that his name is enrolled on the County registration book or records; and it shall be the duty of the Clerk or the Secretary of State

or a member of the Board of Registration to furnish such certificate without cost or charge, upon demand of any such elector whose name appears upon the registration books or records of his County on file in the office of the Clerk of Court or in the office of the Secretary of State. The Commissioners of Election shall turn over said books to the Managers of Election of each polling precinct, who shall be responsible for the care and custody of said books, and the return thereof to the Commissioners within three days after such election. The Commissioners of Election shall return such books to the Board of Registration within twenty days after such election.

* * * * *

SEC. 202. Each township as now or hereafter laid out and defined in the several Counties of this State, and in those Counties where there are no such townships, the parish as formerly known and defined, is declared a polling precinct. In all cities and towns containing 5,000 inhabitants or more, where the same is divided into wards, each ward shall be a polling precinct; and in the City of Charleston the polling precinct shall be the same as the voting precincts now established in the several wards of said city by law; and in the County of Richland, that portion of Columbia Township outside of the corporate limits of the City of Columbia (as the said limits are now or may hereafter be by law established), shall constitute a separate polling precinct. The voting places within these polling precincts shall be the same as now or hereafter established by law: *Provided*, When there are more than one voting place in the polling precinct the elector for that precinct can vote at either polling place, to be designated on his certificate of registration by Board of Registration or Supervisor of Registration.

THE MANNER OF CONDUCTING ELECTIONS AND RETURNING VOTES

SECTION 205. That general elections for Federal, State and County officers in this State shall be held on the first Tuesday following the first Monday in November, 1896, and in every

second year thereafter, and at such voting places as have been or may be established by law; and all general or special elections held pursuant to the Constitution of the State shall be regulated and conducted according to the rules, principles and provisions herein prescribed.

SEC. 206. For the purpose of carrying on such election, it shall be the duty of the Governor, and he is hereby authorized and empowered, at least thirty days prior to any such election, to appoint for each County three Commissioners of Election for Governor, Lieutenant Governor, State officers, Circuit Solicitors, members of the General Assembly and County officers, and three other Commissioners of Election for Presidential Electors and members of Congress, or either of said officers, who shall continue in office until their successors are appointed and qualified. The Commissioners of Election for State and County officers shall appoint three Managers of Election for such officers; and the Commissioners of Election for members of Congress and Presidential Electors, or either of said officers, shall appoint three other Managers of Election for said officers for each polling place at each election precinct of the County for which they shall respectively be appointed, and none of said officers shall be removed from office except for incompetency or misconduct. The said Commissioners and Managers shall take and subscribe before any officer authorized to administer oaths, the oath of office prescribed by Section 26 of Article III of the Constitution, and the oath with respect to duelling, and the same shall be immediately filed in the office of the Clerk of the Court of Common Pleas of the County in which said Commissioners and Managers shall be appointed, or, if there be no such Clerk, in the office of the Secretary of State.

SEC. 207. The Managers may appoint a clerk to assist them in their duties, who shall take the oath of office prescribed by Section 26 of Article III of the Constitution, and the oath with regard to duelling, before the Chairman of the Board of Managers. The Commissioners and Managers at their first meetings, respectively, shall proceed to organize as a Board by appointing one of their number Chairman of the Board; and such Chairman, in each instance, is empowered to administer oaths.

SEC 208. The polls shall be opened, at such voting places as shall be designated, at 7 o'clock in the forenoon, and close at 4 o'clock in the afternoon of the day of election, except in the City of Charleston, where the closing hour shall be 6 o'clock, and shall be kept open during those hours without intermission or adjournment; and the Managers shall administer to each person offering to vote an oath that he is qualified to vote at this election, according to the Constitution of this State, and that he has not voted during this election.

SEC. 209. The Deputy State Constables and other peace officers of each County are required to be present during the whole time that the polls are open and until the election is completed; they shall prevent all interference with the Managers, act under their direction, and see that there is no interruption of good order. If there should be more than one voting place in any County, the State Constable is empowered and directed to make such assignment of his deputies and other peace officers to such polling places as may, in his judgment, best subserve the purposes of quiet and order. All barrooms, saloons, and other places for the sale of liquors by retail shall be closed at 6 o'clock of the evening preceding the day of such election, and remain closed until 6 o'clock in the morning of the day thereafter, during which time the sale of intoxicating liquors is prohibited. And in case all of the Managers shall fail to attend at the time and place appointed for holding such poll, or shall refuse or fail to act, or in case no Manager has been appointed for such poll, it shall be lawful for the voters present at the precinct voting place on that day to appoint from among the qualified voters of such precinct the Managers to act as Managers in the place and stead of the absent Managers, and any one of the Managers so appointed shall administer the oath to the other Managers: *Provided*, That in case the legally appointed Managers attend in a reasonable time, they shall take charge of and conduct the election.

SEC. 210. The voting shall be by ballot, which ballot shall be of plain white paper, two and a half inches wide by five inches long, clear and even cut, without ornament, designation, mutilation, symbol or mark of any kind whatsoever except the

name or names of the person or persons voted for and the office to which such person or persons are intended to be chosen, which name or names, office or officers, shall be written or printed, or partly written or partly printed, thereon in black ink; and such ballot shall be so folded as to conceal the name or names thereon, and, so folded, shall be deposited in a box to be constructed, kept and disposed of as hereafter provided, and no ballot of any other description found in any election box shall be counted.

SEC. 211. There shall be separate and distinct ballots for the following officers, to wit: 1. Governor and Lieutenant Governor. 2. Other State officers. 3. Circuit Solicitor. 4. State Senator. 5. Members of the House of Representatives. 6. County officers. 7. Representatives in Congress. 8. Presidential Electors. On which shall be the name or names of the person or persons voted for as such officers, respectively, and the office for which they are voted. Whenever a vote is to be taken on any special question or questions a box shall be provided, properly labeled for that purpose, and the ballots therefor on such question or questions shall be deposited therein.

SEC. 212. The Commissioners of Election shall provide for each voting place a sufficient number of boxes to meet the requirements of the foregoing Section. In any case in which a voting precinct may form part of more than one Congressional District, if *no* other provision be made by law, the Commissioners of Election for the County in which such precinct is situated shall provide therefor separate boxes for every Congressional District within which the said precinct may be, and each voter at such precinct shall deposit his ballot for members of Congress in the box provided for the Congressional District within the limits of which he may reside. An opening shall be made in the lid of each box not larger than sufficient for a single ballot to be inserted therein at one time, through which each ballot received proper to be placed in such box shall be inserted by the person voting, and by no other. Each box shall be provided with a sufficient lock, and shall be publicly opened and inspected, to show that it is empty and secure, and locked just before the opening of the poll. The keys shall

be returned to the managers, and the box shall not be opened during the election. Each box shall be labeled in plain and distinct Roman letters with the office or officers voted for, and the Managers, on the demand of the voter, shall be required to read to him the names on the boxes. At each precinct a space or enclosure, such as the Managers of Election shall deem fit and sufficient, shall be railed off or otherwise provided with an opening at one end or side for the entrance of the voter, and the opening at the other for his exit, as a voting place in which to hold the election for the State, Circuit, County, and Federal offices. And the ballot box shall be so located as to be in view of persons outside of the polling place during the time of voting. A similar, but separate and distinct, space or enclosure shall be railed off, or otherwise provided, as a voting place for the election of Congressmen and Presidential Electors, at such distance from the polling place of State officers as the Commissioners of Election for each County shall determine and appoint for each election precinct. But one voter shall be allowed to enter any voting place at a time, and no one except the Managers shall be allowed to speak to the voter while in the voting place casting his vote.

SEC. 213. The Managers of Election shall require of any elector offering to vote at any election, before allowing him to vote, in addition to the production of a registration certificate, proof of the payment of all taxes, including poll tax, assessed against him and collectible during the previous year. The production of a certificate or of the receipt of the officer authorized to collect such taxes shall be conclusive proof of the payment thereof.

SEC. 214. Each clerk of the poll shall keep a poll list, which shall contain one column headed "Names of Voters," and the name of each elector voting shall be entered by the clerk in such column.

SEC. 215. At the close of the election the Managers and Clerk shall immediately proceed publicly to open the ballot box and count the ballots therein, and continue such count, without adjournment or interruption, until the same is completed, and make such statement of the result thereof, and sign the same,

as the nature of the election shall require. No ballot shall be counted upon which there shall appear the name of an office, or the name of a person in connection with an office, other than that for which the box in which such ballot is found shall be designated and labeled. If, in counting, two or more like ballots shall be found folded together compactly, only one shall be counted, the other must be destroyed; but if they bear different names, all must be destroyed and none counted. If more ballots shall be found on opening the box than there are names on the poll list, all the ballots shall be returned to the box and thoroughly mixed together, and one of the Managers or the Clerk shall, without seeing the ballots, draw therefrom and immediately destroy as many ballots as there are in excess of the number of names on the poll list. Within three days thereafter the Chairman of the Board of Managers, or one of them, to be designated in writing by the Board, shall deliver to the Commissioners of Election the poll list, the boxes containing the ballots, and a written statement of the result of the election in his precinct.

FORMATION AND PROCEEDINGS OF THE BOARD OF COUNTY CANVASSERS

SECTION 216. The Commissioners of Election for Governor, Lieutenant Governor, State officers, Circuit Solicitor, members of the General Assembly and County officers, or either of said officers, shall meet in some convenient place at the County seat on the Tuesday next following the election, before 1 o'clock in the afternoon of that day, and shall proceed to organize as, and shall be, the County Board of Canvassers. They may appoint some competent person as Secretary. The Chairman shall then proceed to administer the Constitutional oath to each member of the Board, as Canvassers, and to the Secretary, who shall, in turn, administer the same oath to the Chairman. The Commissioners of Election for members of Congress and Presidential Electors, or either of said officers, shall likewise meet at the same time at their County seat, and shall in like manner

proceed to organize as, and shall be, the County Board of Canvassers for the election of the Federal officers aforesaid.

SEC. 217. The said Board of County Canvassers, respectively, shall then proceed to canvass the votes of the County. When townships, or parts of townships, of any County may not be in the same Congressional District, the proper Board of County Canvassers of such County, in canvassing the votes for Representatives in Congress, shall report separately the result of the votes of such townships, or parts of townships, for the Congressional District to which they respectively belong. The said Boards, respectively, shall have the power, and it is hereby made their duty, as judicial officers, to decide all cases under protest or contest that may arise, subject to appeal to the Board of State Canvassers. They shall make such statements of the votes of the County, as the nature of the election shall require, within ten days from their first meeting as a Board of County Canvassers, and transmit to the Board of State Canvassers any protest and all papers relating to the election.

SEC. 218. Duplicate statements shall be made and filed in the office of the Clerk of the County; and if there be no such Clerk, duly qualified according to law, then in the office of the Secretary of State.

SEC. 219. They shall make separate statements of the whole number of votes given in the County for Representatives in Congress, and separate statements of all votes given for other officers. Such statements shall contain the names of the persons for whom such votes were given, and the number of votes given for each, which shall be written out in words at full length.

SEC. 220. There shall be prepared by the Commissioners three separate lists or statements, besides the lists to be filed in the office of the County Clerk, or Secretary of State, and each list shall be certified to as correct, over the signatures of the Commissioners, subscribed thereto.

SEC. 221. After the final adjournment of the Board of County Canvassers, and within the time prescribed in this Chapter, the Chairman of said Board shall forward, addressed to the Governor and Secretary of State, one copy by mail and

one copy by express, the returns, poll list, and all papers appertaining to the election.

SEC. 222. Each Commissioner and Manager of Election shall receive for his compensation \$1 per day for his services while actually employed, and five cents per mile for necessary travel; each Clerk of the Commissioners, and of the Managers, respectively, shall receive \$1 per day while actually employed; but no Commissioner, Manager or Clerk shall receive pay for more than three days.

Notices of election published in any public gazette or County newspaper, by authority of the proper Board of Election Commissioners, as required by law, shall be paid for at the rate prescribed by law for legal notices.

To defray the expenses designated herein, the Comptroller General shall draw his warrant on the State Treasurer in favor of such Commissioners of Election, Managers of Election, Clerk of Commissioners or Managers, Messengers, and proprietor or printer of said gazette, for the amount of compensation to which he may be entitled; the same to be paid by the Treasurer out of any balance that may be in the treasury.

The County Commissioners of the several Counties shall audit and pay all accounts for necessary expenses incurred by the Commissioners and Managers of Election for stationery, the making of election boxes, rents, and similar expenses in elections held in this State.
